MEMORANDUM FOR: Director of Central Intelligence

FROM:

Director, Office of External Affairs

SUBJECT: Meeting with the San Francisco Chapter of the  
Association of Former Intelligence Officers

1. Friday evening, 21 May you will be meeting with San Francisco area AFIO members at the Fleet Admiral Nimitz Officers' Club, Treasure Island. The reception begins at 6:30 p.m. followed by dinner at 7:00 p.m. and your address is scheduled at approximately 8:00 p.m.

2. Rather than a formal speech, the members would like to have an informal discussion with you about past mutual experiences in the intelligence field. A few brief words from you on the current state of intelligence, how well we're doing and some personal remarks on your happiness to be at the helm is all they wish. They view this meeting as a chance to get acquainted with you. Only AFIO members and private guests (mostly spouses) will be present; no press will be there. They expect a turn-out of approximately 75.

3. This AFIO chapter is not large but is fairly active. They have extensive dealings in various commercial fields and many teach at Golden Gate University. As are so many of these groups, they are extremely supportive of CIA and are particularly pleased that you are taking the time to meet with them.

4. As you are aware, I spoke to this same group at the end of April on the Identities Protection Bill, FOIA matters, Terrorism, Soviet involvement in Central America via its surrogate Cuba, Soviet "Active Measures" or Disinformation, and our appreciation of the support that we receive from our AFIO chapters.

5. Your host and hostess for the evening will be the President of the San Francisco AFIO Chapter, Mr. Alvin Buckelew, and the Vice President, Ms. Margaret Rudock.
